The following constitutes Amendment No. 30 to the Schedule 13D filed by the undersigned (“Amendment No. 30”). This Amendment No. 30 amends the Schedule 13D only as specifically set forth herein.

Item 4. Purpose of Transaction.

The information contained in Item 4 of the Schedule 13D is hereby amended and restated in its entirety as follows:

The Lion Fund II, L.P. (“The Lion Fund II”) has entered into a pre-paid variable forward contract with respect to up to 1,250,000 shares of common stock of the Issuer (“Common Stock”), as described in Item 6 of this Amendment (the “Forward Contract”).

Subject to any restrictions or limitations described in Item 6 or contained in the agreements attached as Exhibits hereto, any or all of The Lion Fund II, Biglari Capital Corp. or Mr. Sardar Biglari may directly or indirectly purchase additional shares of Common Stock in the open market or in private transactions or sell or otherwise dispose of all or some of their shares of Common Stock by public or private sale, gift, pledge or otherwise.

Subject to the foregoing and except as described in Item 6 or contained in the agreements attached as Exhibits hereto, the Reporting Persons do not have any current plans or proposals that relate to or would result in any of the actions set forth in clauses (a) through (j) of Item 4.

The information contained in Item 6 of this Amendment is incorporated herein by reference.

Item 5. Interest in Securities of the Issuer.

The information contained in Item 5 of the Schedule 13D is hereby amended and restated in its entirety as follows:

(a) and (b) The information set forth on the cover pages hereto is incorporated herein by reference.

(c) and (d) On April 4, 2014, Steak n Shake Operations, Inc. transferred 775,190 shares of Common Stock to The Lion Fund II as a capital contribution at the then-prevailing fair market value of \$96.00 per share, and thereby ceased to be a beneficial owner of any shares of Common Stock.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

The information contained in Item 6 of the Schedule 13D is hereby amended and supplemented by adding the following information:

On February 5, 2015, The Lion Fund II entered into the Forward Contract with a financial institution (the “Counterparty”) with respect to up to 1,250,000 shares (the “Number of Shares”) of Common Stock. Pursuant to the terms of the Forward Contract, which is subject to an ISDA Master Agreement, the 2006 ISDA Definitions and the 2002 ISDA Equity Derivatives Definitions, The Lion Fund II received a prepayment of \$135,095,500 on February 10, 2015 and delivered the Number of Shares to the Counterparty as collateral for The Lion Fund II’s obligations under the Forward Contract.

The Forward Contract is divided into 32 components, with scheduled valuation dates occurring between June 14, 2017 and September 19, 2017. A preliminary payment from The Lion Fund II to the counterparty will be due on June 9, 2017 based on the volume-weighted average share price ("VWAP") on June 6, 2017 ("Initial Payment"). If the VWAP on June 6, 2017 is less than or equal to \$131.32 (the "Floor Price"), then the Initial Payment will be equal to the June 6, 2017 VWAP times 1,250,000; if the June 6, 2017 VWAP is more than the Floor Price but less than or equal to \$157.58 (the "Cap Price"), then the Initial Payment will be equal to the Floor Price times 1,250,000; and if the June 6, 2017 VWAP is greater than the Cap Price, then the Initial Payment will be equal to (1) 1,250,000 times (2) an amount equal to the Floor Price plus the amount by which the June 6, 2017 VWAP exceeds the Cap Price. A true-up payment based on the VWAP for the valuation dates for the transaction (the "Valuation Dates"), occurring during the period beginning on June 14, 2017 and ending on September 19, 2017 ("Settlement Price") will be computed. The Lion Fund II may elect to make delivery of shares three business days after each Valuation Date in lieu of a cash payment. The Lion Fund II may elect to deliver cash or shares upon settlement on or prior to the fifth trading day prior to the first scheduled valuation date for the Forward Contract.

The foregoing description is qualified in its entirety by reference to the terms of the Forward Contract (which includes a master confirmation and a supplemental confirmation) and is attached as exhibits hereto.

Re: Master Confirmation: Pre-paid Variable Share Forward Transactions

The purpose of this communication (this “**Master Confirmation**”) is to set forth certain terms and conditions of one or more share forward transactions (each, a “**Transaction**”) that may be entered into from time to time among The Lion Fund II, L.P., a Delaware limited partnership (“**Counterparty**”), JPMorgan Chase Bank, National Association, London Branch (“**JPMorgan**”), by J.P. Morgan Securities LLC, as its agent (the “**Agent**”), and JPMorgan Chase Bank, National Association, as collateral agent (the “**Collateral Agent**”). This Master Confirmation, taken alone, is neither a commitment by either party to enter into any Transaction nor evidence of a Transaction. Each such Transaction entered into between JPMorgan and Counterparty that is subject to this Master Confirmation shall be evidenced by (i) a supplemental confirmation substantially in the form of Exhibit A hereto (a “**Supplemental Confirmation**”) and (ii) if applicable, a trade notification substantially in the form of Exhibit B hereto (a “**Trade Notification**”), each with such modifications as to which the parties mutually agree. This Master Confirmation, each Supplemental Confirmation and any related Trade Notification together shall constitute a “Confirmation” as referred to in the Agreement specified below and evidence a complete binding agreement among JPMorgan, Counterparty and the Collateral Agent as to the subject matter and terms of each Transaction to which this Master Confirmation, such Supplemental Confirmation and any such Trade Notification relate and supersede all prior or contemporaneous written or oral communications with respect thereto.

This Master Confirmation, each Supplemental Confirmation and any related Trade Notification shall supplement, form a part of, and be subject to an agreement in the form of the ISDA 2002 Master Agreement (the “**Agreement**”) as if JPMorgan and Counterparty had executed the Agreement on the date of this Master Confirmation (without any Schedule but with the elections set forth in this Master Confirmation). For the avoidance of doubt, the Transactions under this Master Confirmation shall be the only transactions under the Agreement and shall not be subject to any other (existing or deemed) agreement to which JPMorgan and Counterparty are parties.

The definitions contained in the 2006 ISDA Definitions (the “**2006 Definitions**”) and the 2002 ISDA Equity Derivatives Definitions (the “**Equity Definitions**”) and, together with the 2006 Definitions, the “**Definitions**”), as each is published by the International Swaps and Derivatives Association, Inc. are incorporated into this Master Confirmation.

If, in relation to any Transaction to which this Master Confirmation, a Supplemental Confirmation and any related Trade Notification relate, there is any inconsistency between the Agreement, this Master Confirmation, such Supplemental Confirmation, any such Trade Notification and the Definitions, the following prevail for purposes of such Transaction in the order of precedence indicated: (i) any such Trade Notification, (ii) such Supplemental Confirmation, (iii) this Master Confirmation, (iv) the Equity Definitions, (v) the 2006 Definitions and (vi) the Agreement.

For the purposes of the Equity Definitions, each Transaction is a Share Forward Transaction and, notwithstanding anything to the contrary, JPMorgan and Counterparty acknowledge and agree that for U.S. Federal

Exchange(s): The NASDAQ Global Select Market.

Related Exchange(s): All Exchanges.

Valuation:

In respect of any Component:

Valuation Time: As provided in Section 6.1 of the Equity Definitions.

Scheduled Valuation Date: For each Component of a Transaction, as set forth in the related Supplemental Confirmation or any Trade Notification (or, if such date is not a Scheduled Trading Day, the next succeeding Scheduled Trading Day that is not a Scheduled Valuation Date for any other Component of any Transaction hereunder).

Valuation Date(s): For each Component, the Scheduled Valuation Date for such Component.

If the Scheduled Valuation Date for any Component is a Disrupted Day, Section 6.6 of the Equity Definitions shall not apply and the Valuation Date for such Component shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day and is not or is not deemed to be a Valuation Date in respect of any other Component of any Transaction hereunder; *provided* that if such Valuation Date has not occurred pursuant to the foregoing as of the eighth Scheduled Trading Day following the Scheduled Valuation Date for the final Component for the relevant Transaction, that eighth Scheduled Trading Day shall be the Valuation Date for such Component (irrespective of whether such date is a Valuation Date in respect of any other Component for any Transaction hereunder) and the Calculation Agent shall determine the value for the Shares on that eighth Scheduled Trading Day using a commercially reasonable means.

Notwithstanding the foregoing and anything to the contrary in the Equity Definitions, if a Market Disruption Event occurs on any Valuation Date, the Calculation Agent may determine that such Valuation Date is a Disrupted Day only in part, in which case the Calculation Agent shall (i) adjust the number of Shares for the relevant Component for which such Disrupted Day shall be the Valuation Date, (ii) determine the Settlement Price for such Disrupted Day using a volume-weighted method based on eligible transactions in the Shares on such Disrupted Day taking into account the nature and duration of such Market Disruption Event and (iii) designate a Scheduled Trading Day determined in the manner described in the immediately preceding paragraph as the Valuation Date for the remaining Shares for such Component. Notwithstanding any provision of the Equity Definitions to the contrary, any Exchange Business Day on which the Exchange is

scheduled to close prior to its normal close of trading shall be deemed to be a Disrupted Day in part.

Market Disruption Event: Section 6.3(a) of the Equity Definitions is hereby amended by (x) deleting the words “during the one hour period that ends at the relevant Valuation Time, Latest Exercise Time, Knock-in Valuation Time or Knock-out Valuation Time, as the case may be” in clause (ii) thereof and (y) replacing the words “or (iii) an Early Closure.” therein with “(iii) an Early Closure or (iv) a Regulatory Disruption.”

Section 6.3(d) of the Equity Definitions is hereby amended by deleting the remainder of the provision following the term “Scheduled Closing Time” in the fourth line thereof.

Regulatory Disruption: JPMorgan concludes, in its good-faith and reasonable discretion based on advice of counsel, that it is advisable with respect to any legal, regulatory or self-regulatory requirements or related policies and procedures generally applicable to transactions of the type of the Transactions and consistently applied (whether or not such policies or procedures are imposed by law or have been voluntarily adopted by JPMorgan), including without limitation in the event of any third-party tender offer, for it to refrain from engaging in market transactions relating to the Shares or to reduce the number or size of any such market transactions.

Settlement Price: For each Component of a Transaction, the per-Share volume weighted average price based on transactions executed in the United States as displayed under the heading “Bloomberg VWAP” on Bloomberg page “CBRL <equity> AQR” (or any successor thereto) in respect of the period from the scheduled open of trading on the Exchange until the Scheduled Closing Time on the Valuation Date for such Component (or any successor page thereto); *provided* that if such price is not so reported for any reason or is manifestly erroneous, as determined by the Calculation Agent using other commercially reasonable means.

Settlement Terms:

In respect of any Component:

Settlement Method Election: Applicable; *provided* that a single Settlement Method shall apply for all Components; *provided further* that if Counterparty fails to pay the Repayment Amount to JPMorgan on or prior to the Repayment Date, JPMorgan may in its sole discretion deem any election by Counterparty of Cash Settlement to be void, in which case Physical Settlement shall apply; and *provided further* that any election by Counterparty specifying Cash Settlement shall not be effective to require Cash Settlement unless Counterparty delivers to JPMorgan, concurrent with such election, a representation signed by Counterparty substantially in the following form as of the date Counterparty makes such election: “Counterparty is not aware of any material non-public information regarding the Issuer or the Shares, and is electing Cash Settlement in good faith and not as a plan or scheme to evade compliance with the U.S. federal securities laws”; and *provided further* that notwithstanding any election by Counterparty to the contrary, Cash Settlement will apply if JPMorgan concludes, in its good-faith and reasonable discretion based on the advice of counsel, that Counterparty would be

unable to make the representations and agreements in Section 9.11 of the Equity Definitions with respect to the Shares to be delivered by Counterparty pursuant to Physical Settlement for any reason.

Electing Party:	Counterparty.
Settlement Method Election Date:	For each Transaction, the fifth Scheduled Trading Day prior to the Scheduled Valuation Date for the first Component of such Transaction.
Default Settlement Method:	Physical Settlement.
Settlement Currency:	USD.
Number of Shares to be Delivered:	<p>For each Component of a Transaction,</p> <p>(i) if the Settlement Price is less than or equal to the Forward Floor Price, the Number of Shares for such Component;</p> <p>(ii) if the Settlement Price is greater than the Forward Floor Price but less than or equal to the Forward Cap Price, a number of Shares equal to the Number of Shares for such Component <i>multiplied by</i></p> $\frac{\text{Forward Floor Price}}{\text{Settlement Price}}$ <p>(iii) if the Settlement Price is greater than the Forward Cap Price, a number of Shares equal to the Number of Shares for such Component <i>multiplied by</i></p> $\frac{\text{Forward Floor Price} + (\text{Settlement Price} - \text{Forward Cap Price})}{\text{Settlement Price}}$

If Physical Settlement is applicable:

Physical Settlement:	Applicable. For each Component of a Transaction, on the relevant Settlement Date, Counterparty will deliver to JPMorgan a number of Shares equal to the Number of Shares to be Delivered for such Component and will pay to JPMorgan the Fractional Share Amount, if any.
Settlement Date:	For each Component of a Transaction, the date that falls one Settlement Cycle following the Valuation Date for such Component (or, if such date is not a Clearance System Business Day, the next following Clearance System Business Day).
Automatic Physical Settlement:	For each Component of a Transaction, if (i) by 10:00 a.m., New York City time, on the relevant Settlement Date, Counterparty has not otherwise effected delivery of the Number of Shares to be Delivered, and (ii) the Collateral (as defined in Section 3(b) hereof) then held by or on behalf of JPMorgan includes Shares with respect to which the representations and agreements set forth in Section 9.11 of the Equity Definitions are true and satisfied (or, at the absolute discretion of JPMorgan, Shares with respect to which such representations and agreements are not true or satisfied), then the delivery provided by

Section 9.2 of the Equity Definitions shall be effected, in whole or in part, as the case may be, by delivery on the relevant Settlement Date by the Collateral Agent to an affiliate of JPMorgan designated by JPMorgan of a number of Shares then held as Collateral hereunder by or on behalf of JPMorgan, not to exceed the Number of Shares to be Delivered for such Component. Upon any such delivery, JPMorgan shall hold such Shares absolutely and free from any claim or right whatsoever (including without limitation any claim or right of Counterparty).

If Cash Settlement is Applicable:

- Repayment: If Counterparty elects Cash Settlement, Counterparty shall pay to JPMorgan the Repayment Amount on the Repayment Date.
- Repayment Amount: For all Components of a Transaction, the sum of Forward Cash Settlement Amount for all Components calculated as if the Valuation Date for each Component were the Exchange Business Day immediately prior to the Settlement Method Election Date.
- Repayment Date: For all Components of a Transaction, the date that is the third Scheduled Trading Day prior to the Scheduled Valuation Date for the first Component of such Transaction (or, if such date is not a Currency Business Day, the next following Currency Business Day).
- Cash Settlement: If Cash Settlement is applicable, for all Components of a Transaction, (a) if the sum of the Forward Cash Settlement Amounts for all Components is greater than the Repayment Amount, Counterparty shall pay to JPMorgan an amount equal to such excess on the Cash Settlement Payment Date; or (b) if the sum of the Forward Cash Settlement Amounts for all Components is less than the Repayment Amount, JPMorgan shall pay to Counterparty an amount equal to the absolute value of such shortfall on the Cash Settlement Payment Date.
- Cash Settlement Payment Date: For all Components of a Transaction, the date that is one Settlement Cycle following the Valuation Date for the final Component (or, if such date is not a Currency Business Day, the next following Currency Business Day).

Adjustments:

In respect of any Component:

- Potential Adjustment Events: If an event occurs that constitutes both a Potential Adjustment Event under Section 11.2(e)(ii)(C) of the Equity Definitions and a Spin-off as described below, it shall be treated hereunder as a Spin-off and not as a Potential Adjustment Event.
- Method of Adjustment: Calculation Agent Adjustment
- Spin-off: A distribution of New Shares (the “**Spin-off Shares**”) of a subsidiary of the Issuer (the “**Spin-off Issuer**”) to holders of the Shares (the “**Original Shares**”). With respect to a Spin-off, “New Shares” shall have the meaning provided in Section 12.1(i) of the Equity Definitions (as amended below opposite “New Shares”) except that the phrase

immediately preceding clause (i) thereof shall be replaced by the following: “‘New Shares’ means ordinary or common shares of the Spin-off Issuer that are, or that as of the effectiveness of the relevant Spin-off are scheduled promptly to be,”.

Consequences of Spin-offs: JPMorgan shall have the right to elect, by written notice to Counterparty, that Basket Adjustments or the Separate Transactions Adjustments shall apply to any Spin-off.

Basket Adjustments: If JPMorgan shall have elected that Basket Adjustments apply to a Spin-off, then as of the ex-dividend date for such Spin-off, (i) “Shares” shall mean the Original Shares and the Spin-off Shares; (ii) such Transaction shall continue but as a Share Basket Forward Transaction with a Number of Baskets equal to the Number of Transaction Shares immediately prior to such Spin-off, and each Basket shall consist of one Original Share and the number of Spin-off Shares that a holder of one Original Share would have been entitled to receive in such Spin-off (and references to Shares herein shall be interpreted as references to Baskets, as the context requires); and (iii) the Calculation Agent shall make such adjustments to the exercise, settlement, payment or any other terms of such Transaction as the Calculation Agent determines appropriate to account for the economic effect on such Transaction of such Spin-off (including adjustments to account for changes in volatility, expected dividends, stock loan rate or liquidity relevant to the Shares or to such Transaction), which may, but need not, be determined by reference to the adjustment(s) made in respect of such Spin-off by an options exchange to options on the Shares traded on such options exchange. As of the ex-dividend date of any subsequent Spin-off, the Calculation Agent shall make adjustments to the composition of the Basket and other terms of such Transaction in accordance with the immediately preceding sentence.

Separate Transactions Adjustments: If JPMorgan shall have elected that Separate Transactions Adjustments apply to a Spin-off, as of the ex-dividend date for such Spin-off, then such Transaction shall be considered two separate Transactions, each with terms identical to those of the original Transaction (the “**Original Transaction**”), except that: (i) the “Shares” for the Original Transaction (the “**Original Shares Transaction**”) shall be the Original Shares and the “Shares” for the other transaction (the “**Spin-off Shares Transaction**”) shall be the Spin-off Shares; (ii) the Number of Shares for each Component of the Original Shares Transaction shall remain unchanged from the Number of Shares for such Component of the Original Transaction; (iii) the Number of Shares for each Component of the Spin-off Shares Transaction shall equal the product of (A) the Number of Shares for such Component of the Original Transaction (as in effect immediately prior to the ex-dividend date for such Spin-off) and (B) the number of Spin-off Shares that a holder of one share of Original Shares would have owned or been entitled to receive in connection with such Spin-Off; and (iv) the Calculation Agent shall make such adjustments to the exercise, settlement, payment or any other terms of each of the Original Shares Transaction and the Spin-Off Shares Transaction as the Calculation Agent determines appropriate to account for the economic effect on each of the Original Shares Transaction and the Spin-Off Shares Transaction of such Spin-off (including without limitation adjustments to account for changes in

volatility, expected dividends, stock loan rate or liquidity relevant to the Original Shares, the Spin-off Shares, the Original Shares Transaction or to the Spin-off Shares Transaction). Following a Spin-off to which Separate Transactions Adjustments are applicable, this Master Confirmation shall apply in all respects (except as provided above) to both the Original Shares Transaction and the Spin-off Shares Transaction as if each were a separate Transaction under the Agreement. As of the ex-dividend date of any subsequent Spin-off, the Calculation Agent shall make adjustments to the terms of each of the Original Shares Transaction and the Spin-Off Shares Transaction in accordance with the second immediately preceding sentence.

For the avoidance of doubt, the provisions of Section 11.2 of the Equity Definitions shall also apply to any Extraordinary Cash Dividend.
- If, by 10:00 a.m., New York City time, on the date Counterparty owes any such payment in respect of any Extraordinary Cash Dividend, Counterparty has not otherwise satisfied such obligation and at such time or any later time on such date prior to satisfaction of such obligation the Collateral then held hereunder by or on behalf of JPMorgan includes all or any part of the cash required to be so paid, then the payment required pursuant to the preceding paragraph shall be effected, in whole or in part, as the case may be, by delivery by the Collateral Agent to JPMorgan of an amount of cash equal to the amount thereof so required to be paid.
- Extraordinary Dividend: (i) Any Extraordinary Cash Dividend or (ii) any dividend or distribution on the Shares that is not a Cash Dividend or a dividend or distribution of the type described in Section 11.2(e)(i), 11.2(e)(ii)(A) or

(b) **The Security Interests.** In order to secure the full and punctual observance and performance of all present and future obligations of Counterparty to JPMorgan under the Agreement (including without limitation all obligations of Counterparty under Sections 2 and 6 of the Agreement), this Master Confirmation and each Transaction hereunder:

(i) Counterparty hereby assigns, pledges and grants to the Collateral Agent, as agent of and for the benefit of JPMorgan, security interests in and to, and a lien upon and right of set-off against, all of Counterparty's right, title and interest in and to (A) the Pledged Items described in Section 3(b)(ii) hereof and any Pledged Items identified in any certificate delivered by Counterparty pursuant to Section 3(d)(i) hereof; (B) all additions to such Pledged Items (including without limitation any securities, instruments or other property delivered or pledged pursuant to Section 3(c)(i) or 3(d)(i) hereof (such additions, the "**Additions**")); and (C) all income, proceeds (as defined in the UCC) and collections received or to be received, or derived or to be derived, now or at any time hereafter from or in connection with the Pledged Items or the Additions (collectively, the "**Collateral**").

(ii) On or prior to the Trade Date of such Transaction, Counterparty shall deliver to the Collateral Agent in pledge hereunder Eligible Collateral consisting of a number of Shares equal to the Number of Transaction Shares (the "**Initial Pledged Securities**").

(iii) The Security Interests are granted as security only and shall not subject the Collateral Agent or JPMorgan to, or transfer or in any way affect or modify, any obligation or liability of Counterparty or the Issuer with respect to any of the Collateral or any transaction in connection therewith.

(iv) The parties hereto expressly agree that all rights, assets and property at any time held or credited as Collateral hereunder shall be treated as financial assets. To the extent that the Collateral Agent acts in the capacity of securities intermediary in respect of any of the Collateral hereunder, it hereby agrees, in such capacity, to comply with any "entitlement order" (as defined in Section 8-102 of the UCC) originated by the Collateral Agent or JPMorgan relating to such Collateral without further consent by Counterparty or any other person. Counterparty consents to the foregoing agreement by the Collateral Agent in its capacity as securities intermediary.

(v) If such Transaction has an Initial Hedging Period, on or promptly after the Hedge Completion Date, if the Number of Transaction Shares as specified in the related Trade Notification is less than the Initial Pledged Securities, the Collateral Agent shall release to Counterparty the excess (if any) of (x) the Initial Pledged Securities held by the Collateral Agent as Collateral hereunder over (y) the Number of Transaction Shares as specified in the related Trade Notification.

(c) **Certain Covenants of Counterparty.** Counterparty agrees that, so long as any of Counterparty's obligations under the Agreement (including without limitation all obligations of Counterparty under Sections 2 and 6 of the Agreement), this Master Confirmation and any Transaction hereunder remains outstanding:

(i) Counterparty shall ensure at all times that a Collateral Event of Default shall not occur, and shall pledge additional Collateral in the manner described in Sections 3(d)(i) and 3(d)(ii) hereof as necessary to cause such requirement to be met.

(ii) Counterparty shall, at the expense of Counterparty and in such manner and form as JPMorgan or the Collateral Agent may reasonably require, give, execute, deliver, file and record any financing statement, notice, instrument, document, agreement or other papers that may be necessary or desirable in order to (A) create, preserve, perfect, substantiate or validate any security interest granted pursuant hereto, (B) create or maintain control with respect to any such security interests in any investment property or (C) enable the Collateral Agent to exercise and enforce its rights and the rights of JPMorgan hereunder with respect to such security interest. Counterparty hereby authorizes the Collateral Agent to file such financing statements, naming Counterparty as debtor and providing such description of Collateral, as the Collateral Agent deems necessary or advisable.

(iii) Counterparty shall warrant and defend Counterparty's title to the Collateral, subject to the rights of the Collateral Agent and JPMorgan, against the claims and demands of all Persons. The Collateral Agent and JPMorgan (or, as they may agree, one of them) may elect, but without an obligation to do so, to discharge any Lien of any third party on any of the Collateral.

(iv) Counterparty agrees that Counterparty shall not change any of (A) Counterparty's name, or (B) Counterparty's location (within the meaning of Section 9-307 of the UCC), unless in any such case (x) Counterparty shall have given the Collateral Agent not less than 30 days' prior notice thereof and (y) such change shall not cause any of the Security Interests to become unperfected, cause JPMorgan to cease to have control in respect of any of the Security Interests in any Collateral consisting of investment property or subject any Collateral to any other Lien.

(v) Counterparty agrees that Counterparty shall not (A) create or permit to exist any Lien (other than the Security Interests) or any Transfer Restriction (other than the Existing Transfer Restrictions) upon or with respect to the Collateral, (B) sell or otherwise dispose of, or grant any option with respect to, any of the Collateral or (C) enter into or consent to (x) any agreement (other than this Master Confirmation) that restricts in any manner the rights of any present or future owner of any Collateral with respect thereto or (y) any agreement (other than any Control Agreement referred to in Section 3(d)(ii)(C) hereof among Collateral Agent and its affiliates) pursuant to which any Person other than Counterparty, the Collateral Agent, JPMorgan and any securities intermediary through which any of the Collateral is held (but, in the case of any such securities intermediary, only in respect of Collateral held through it) has or will have control in respect of any Collateral.

(d) **Administration of the Collateral and Valuation of the Securities.**

(i) Counterparty may pledge hereunder additional Collateral acceptable to JPMorgan at any time by delivery of such Collateral pursuant to subsection (ii) below. Concurrently with the delivery of any additional Eligible Collateral, Counterparty shall deliver to the Collateral Agent a certificate of an Authorized Officer of Counterparty substantially in the form of Exhibit C hereto and dated the date of such delivery, (A) identifying the additional items of Eligible Collateral being pledged and (B) certifying that with respect to such items of additional Eligible Collateral the representations and warranties contained in Section 2(f)(v) hereof are true and correct with respect to such Eligible Collateral on and as of the date thereof.

(ii) Any delivery of any securities or security entitlements as Collateral to the Collateral Agent by Counterparty shall be effected (A) in the case of Collateral consisting of certificated securities registered in the name of Counterparty, by delivery of certificates representing such securities to the Collateral Agent, accompanied by any required transfer tax stamps, and in suitable form for transfer by delivery or accompanied by duly executed instruments of transfer or assignment in blank (including any related documentation required by the transfer agent for such securities in connection with effecting or registering transfer), with signatures appropriately guaranteed, all in form and substance satisfactory to the Collateral Agent, (B) in the case of Collateral consisting of uncertificated securities registered in the name of Counterparty, by transmission by Counterparty of an instruction to the issuer of such securities instructing such issuer to register such securities in the name of the Collateral Agent or its nominee, accompanied by any required transfer tax stamps, and the issuer's compliance with such instructions, (C) in the case of securities in respect of which security entitlements are held by Counterparty through a securities intermediary other than the Collateral Agent, by the crediting of such securities, accompanied by any required transfer tax stamps, to a securities account of the Collateral Agent or Counterparty at such securities intermediary or, at the option of the Collateral Agent, at another securities intermediary satisfactory to the Collateral Agent and, if such securities account is an account of Counterparty, the execution by such securities intermediary, Counterparty and the Collateral Agent of a Control Agreement in form and substance satisfactory to the Collateral Agent and (D) in the case of securities in respect of which security entitlements are held by Counterparty through the Collateral Agent as Counterparty's securities intermediary (including securities in respect of which securities entitlements are held by Counterparty through an account at the Collateral Agent), by the grant of the Security Interests hereunder. Counterparty hereby consents to, and agrees to be bound by, any Control Agreement referred to in clause

(C) above, including without limitation the agreement of any securities intermediary to comply with entitlement orders of the Collateral Agent pursuant thereto.

(iii) If on any Scheduled Trading Day the Collateral Agent determines that a Collateral Event of Default shall have occurred, the Collateral Agent shall promptly notify Counterparty of such determination by telephone call to an Authorized Officer of Counterparty followed by a written confirmation of such call.

(iv) If on any Scheduled Trading Day the Collateral Agent determines that no Early Termination Event or failure by Counterparty to meet any of Counterparty's obligations under Section 3(c) or 3(d) hereof has occurred and is continuing, Counterparty may obtain the release from the Security Interests of any Collateral upon delivery to the Collateral Agent of a written notice from an Authorized Officer of Counterparty indicating the items of Collateral to be released so long as, after such release, no Collateral Event of Default shall have occurred.

(v) The Collateral Agent may at any time or from time to time following the occurrence of an Early Termination Event, in its sole discretion, cause any or all of the Collateral that is registered in the name of Counterparty or Counterparty's nominee to be transferred of record into the name of the Collateral Agent or Collateral Agent's nominee. Counterparty shall promptly give to the Collateral Agent copies of any notices or other communications received by Counterparty with respect to Collateral that is registered, or held through a securities intermediary, in the name of Counterparty or Counterparty's nominee and the Collateral Agent shall promptly give to Counterparty copies of notices and communications received by the Collateral Agent with respect to Collateral that is registered, or held through a securities intermediary, in the name of the Collateral Agent or its nominee; *provided* that (A) the Collateral Agent shall only be required to deliver such notices or other communications as have actually been received by it in respect of the Collateral and (B) the Collateral Agent shall only be required to make such deliveries as quickly as reasonably practicable after its receipt of such notices or other communications; *provided, further*, that proxies, powers of attorney, consents, ratifications and waivers in respect of any of the Collateral that is registered, or held through a securities intermediary, in the name of the Collateral Agent or its nominee shall be subject to Section 3(e)(iii) hereof and shall not be subject to this Section 3(d)(v). Except as specifically set forth herein, the Collateral Agent shall have no further obligation to ascertain, or to notify Counterparty of, the occurrence of any events or actions concerning Collateral that is registered, or held through a securities intermediary, in the name of the Collateral Agent or its nominee and the Collateral Agent shall not be deemed to assume any such further obligation as a result of its establishment of any internal procedures with respect to any securities in its possession.

(vi) Counterparty agrees that Counterparty shall forthwith upon demand pay to the Collateral Agent:

(A) the amount of any taxes that the Collateral Agent or JPMorgan may have been required to pay by reason of the Security Interests or to free any of the Collateral from any Lien thereon, and

(B) the amount of any and all reasonable out-of-pocket expenses, including the reasonable fees and disbursements of counsel and of any other experts, that the Collateral Agent or JPMorgan may incur in connection with (1) the enforcement of this Section 3, including such expenses as are incurred to preserve the value of the Collateral and the validity, perfection, rank and value of the Security Interests, (2) the collection, sale or other disposition of any of the Collateral, (3) the exercise by the Collateral Agent of any of the rights conferred upon it hereunder or (4) any Early Termination Event.

Any such amount not paid on demand shall bear interest (computed on the basis of a year of 360 days and payable for the actual number of days elapsed) at a rate per annum equal to 2% *plus* the rate announced from time to time by JPMorgan as its prime rate.

(vii) If Physical Settlement applies, for each Component of a Transaction, unless (i) by 10:00 a.m., New York City time, on the relevant Settlement Date, Counterparty shall have otherwise effected delivery of the Number of Shares to be Delivered, and (ii) the Collateral (as defined in Section 3(b) hereof) then held by or on behalf of JPMorgan does not include Shares with respect to which the representations and

agreements set forth in Section 9.11 of the Equity Definitions are true and satisfied (or, at the absolute discretion of JPMorgan, Shares with respect to which such representations and agreements are not true or satisfied), then the delivery provided by Section 9.2 of the Equity Definitions shall be effected, in whole or in part, as the case may be, by delivery on the relevant Settlement Date by the Collateral Agent to an affiliate of JPMorgan designated by JPMorgan of a number of Shares then held as Collateral hereunder by or on behalf of JPMorgan, not to exceed the Number of Shares to be Delivered for such Component. Upon any such delivery, JPMorgan shall hold such Shares absolutely and free from any claim or right whatsoever (including without limitation any claim or right of Counterparty).

(viii) Unless, by 10:00 a.m., New York City time, on the date Counterparty owes any Payment Obligation in Respect of Extraordinary Dividends under Section 1 hereof, Counterparty shall have otherwise satisfied such obligation and at such time or any later time on such date prior to satisfaction of such obligation the Collateral then held hereunder by or on behalf of JPMorgan includes all or any part of the cash required to be so paid, then the payment required pursuant to the preceding paragraph shall be effected, in whole or in part, as the case may be, by delivery by the Collateral Agent to JPMorgan of an amount of cash equal to the amount thereof so required to be paid.

(ix) Notwithstanding anything to the contrary contained herein and unless otherwise agreed by the parties, the parties shall use their commercially reasonable efforts to cause the Collateral to be transferred to a segregated custodial account at JPMorgan or an affiliate thereof in the name of Counterparty as promptly as reasonably practicable after the Trade Date for the relevant Transaction. The parties agree to execute such documentation, on terms reasonably acceptable to each of them, as may be necessary or appropriate to effect such transfer, including, without limitation, account opening documentation and, if requested, a control agreement.

(e) **Income and Voting Rights in Collateral.**

(i) The Collateral Agent shall have the right to receive and retain as Collateral hereunder all proceeds of the Collateral, excluding (A) interest and (B) the aggregate amount of all cash dividends on any Collateral comprised of Shares up to, on a per Share basis in any quarterly dividend period of the Issuer, an amount equal to the Ordinary Dividend Amount, as determined by the Calculation Agent (such interest and such cash dividends together, “**Excluded Proceeds**”); *provided* that the Collateral Agent shall have the right to receive and retain as Collateral hereunder any and all proceeds of the Collateral, including without limitation any Excluded Proceeds, upon the occurrence and during the continuance of an Early Termination Event (such proceeds, in either case, “**Retained Proceeds**”), and Counterparty shall take all such action as the Collateral Agent shall deem necessary or appropriate to give effect to such right. All such Retained Proceeds shall be received in trust for the benefit of the Collateral Agent and JPMorgan and, if the Collateral Agent so directs, shall be segregated from other funds of Counterparty and shall, forthwith upon demand by the Collateral Agent, be paid over to the Collateral Agent as Collateral in the same form as received (with any necessary endorsement). After all Early Termination Events have been cured, the Collateral Agent’s right to retain Excluded Proceeds under this Section 3(e)(i) shall cease and the Collateral Agent shall pay over to Counterparty any such Collateral consisting of Excluded Proceeds retained by it during the continuance of any such Early Termination Event.

(ii) Unless an Early Termination Event shall have occurred and be continuing, Counterparty shall have the right, from time to time, to vote and to give consents, ratifications and waivers with respect to the Collateral, and the Collateral Agent shall, upon receiving a written request from Counterparty accompanied by a certificate of Counterparty stating that no Early Termination Event shall have occurred and be continuing, deliver to Counterparty or as specified in such request such proxies, powers of attorney, consents, ratifications and waivers in respect of any of the Collateral that is registered, or held through a securities intermediary, in the name of the Collateral Agent or its nominee as shall be specified in such request and shall be in form and substance satisfactory to the Collateral Agent; *provided, however*, that (A) the Collateral Agent shall only be required to deliver such proxies, powers of attorneys, consents, ratifications and waivers as have actually been received by it in respect of the Collateral and (B) the Collateral Agent shall only be required to make such deliveries as quickly as reasonably practicable after its receipt of the relevant documents and the written request.

(iii) If an Early Termination Event shall have occurred and be continuing, the Collateral Agent shall have the right, to the extent permitted by law, and Counterparty shall take all such action as may be necessary or appropriate to give effect to such right, to vote and to give consents, ratifications and waivers, and to take any other action with respect to any or all of the Collateral with the same force and effect as if the Collateral Agent were the absolute and sole owner thereof.

(f) **Remedies upon Early Termination Events.**

(i) If any Early Termination Event shall have occurred and be continuing, the Collateral Agent may exercise on behalf of JPMorgan all the rights of a secured party under the UCC (whether or not in effect in the jurisdiction where such rights are exercised) and, in addition, without being required to give any notice, except as may be required by mandatory provisions of law, may, if a Counterparty Payment Event (as defined in Section 4(i) hereof) occurs: (A) deliver all Collateral consisting of Shares or Converted Property (as defined in Section 4(i) hereof), but not in excess of the number thereof that Counterparty is obligated to deliver pursuant to Section 4(i) hereof, to an affiliate of JPMorgan designated by JPMorgan on the date such Shares are required to be delivered hereunder in satisfaction of Counterparty's obligations to deliver Shares under such Section 4(i) (such delivery, a "**Self-Delivery**"), whereupon such affiliate shall hold such Shares absolutely and free from any claim or right of whatsoever kind, including any equity or right of redemption of Counterparty that may be waived or any other right or claim of Counterparty, and Counterparty, to the extent permitted by law, hereby specifically waives all rights of redemption, stay or appraisal that Counterparty has or may have under any law now existing or hereafter adopted; and (B) if such Self-Delivery shall be insufficient to satisfy in full all of the obligations of Counterparty under the Agreement or hereunder, sell all of the remaining Collateral, or such lesser portion thereof as may be necessary to generate proceeds sufficient to satisfy in full all of the obligations of Counterparty under the Agreement or hereunder.

(ii) Counterparty hereby irrevocably appoints the Collateral Agent as Counterparty's true and lawful attorney (which power of attorney is coupled with an interest), with full power of substitution, in the name of Counterparty, the Collateral Agent or JPMorgan or otherwise, for the sole use and benefit of the Collateral Agent and JPMorgan, but at the expense of Counterparty, to the extent permitted by law, to exercise, at any time and from time to time while an Early Termination Event has occurred and is continuing, all or any of the following powers with respect to all or any of the Collateral:

(A) to demand, sue for, collect, receive and give acquittance for any and all monies due or to become due upon or by virtue thereof,

(B) to settle, compromise, compound, prosecute or defend any action or proceeding with respect thereto,

(C) to sell, transfer, assign or otherwise deal in or with the same or the proceeds or avails thereof, as fully and effectually as if the Collateral Agent were the absolute owner thereof and in connection therewith, to make all necessary deeds, bills of sale, instruments of assignment, transfer or conveyance of the property, and all instructions and entitlement orders in respect of the property thus to be (or that is being or has been) sold, transferred, assigned or otherwise dealt in, and

(D) to extend the time of payment of any or all thereof and to make any allowance and other adjustments with reference thereto;

provided that the Collateral Agent shall give Counterparty not less than one day's prior written notice of the time and place of any sale or other intended disposition of any of the Collateral, except any Collateral that threatens to decline speedily in value, including without limitation equity securities, or is of a type customarily sold on a recognized market. The Collateral Agent and Counterparty agree that such notice constitutes "reasonable authenticated notification" within the meaning of Section 9-611 of the UCC. If so requested by the Collateral Agent, by JPMorgan or by any buyer of the Collateral or a portion thereof, Counterparty shall further ratify and confirm any action taken pursuant to such power of attorney by

executing and delivering to the Collateral Agent, to JPMorgan or to such buyer or buyers at the expense of Counterparty all proper deeds, bills of sale, instruments of assignment, conveyance or transfer, releases, instructions and entitlement orders as may be designated in any such request.

(iii) Counterparty recognizes that the Collateral Agent may choose or be required under applicable law to effect a sale of all or a part of the Collateral by means of one or more private sales, and that the purchasers in such private sales may be obliged to agree, among other things, to acquire such Collateral for their own account and not with a view to the distribution or resale thereof except pursuant to a registration statement declared effective under, or an exemption from the registration requirements of, the Securities Act. Counterparty agrees that private sales so made may be at prices and other terms less favorable to the seller than if such Collateral were sold at public sales, and that the Collateral Agent has no obligation to delay sale of any such Collateral for the period of time necessary to permit a public sale thereof, including without limitation to allow the issuer of such Collateral, even if such issuer would agree, to register such Collateral for public sale under such applicable securities laws. Counterparty agrees that private sales made under the foregoing circumstances shall be deemed to have been made in a commercially reasonable manner.

(g) **The Collateral Agent.**

(i) JPMorgan hereby irrevocably appoints and authorizes the Collateral Agent to take such action as agent on its behalf and to exercise such powers under this Section 3 as are delegated to the Collateral Agent by the terms hereof, together with all such powers as are reasonably incidental thereto.

(ii) The obligations of the Collateral Agent hereunder are only those expressly set forth in this Section 3.

(iii) The Collateral Agent may consult with legal counsel, independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken by it in good faith in accordance with the advice of such counsel, accountants or experts.

(iv) Neither the Collateral Agent nor any of its directors, officers, agents or employees shall be liable for any action taken or not taken by it in connection with this Section 3 (A) with the consent or at the request of JPMorgan or (B) in the absence of its own gross negligence or willful misconduct. The Collateral Agent shall not incur any liability by acting in reliance upon any notice, consent, certificate, statement or other writing (which may be a bank wire, telex or similar writing) believed by it to be genuine or to be signed by the proper party or parties.

(v) Counterparty shall indemnify the Collateral Agent against any cost, expense (including reasonable counsel fees and disbursements), claim, demand, action, loss or liability (except such as result from the Collateral Agent's gross negligence or willful misconduct) that the Collateral Agent may suffer or incur in connection with this Section 3 or any action taken or omitted by the Collateral Agent under this Section 3.

(vi) Beyond the exercise of reasonable care in the custody thereof, the Collateral Agent shall have no duty as to any Collateral in its possession or control or in the possession or control of any agent, bailee, clearing corporation or securities intermediary or any income thereon or as to the preservation of rights against prior parties or any other rights pertaining thereto. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral if the Collateral is accorded treatment substantially equal to that which it accords its own property, and shall not be liable or responsible for any loss or damage to any of the Collateral, or for any diminution in the value thereof, by reason of the act or omission of any agent, bailee, clearing corporation or securities intermediary selected by the Collateral Agent in good faith (or selected by an agent, bailee, clearing corporation or securities intermediary so selected by the Collateral Agent or by any agent, bailee, clearing corporation or securities intermediary selected in accordance with this parenthetical phrase).

(vii) Any corporation or association into which the Collateral Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its agency business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, shall, subject to the prior written consent of JPMorgan, be and become a successor Collateral Agent hereunder and vested with all of the title to the Collateral and all of the powers, discretions, immunities, privileges and other matters as was its predecessor without, except as provided above, the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

(h) **Miscellaneous.**

(i) Any securities intermediary that executes a Control Agreement and its successors and assigns shall be entitled to rely on the consent and agreement of Counterparty in Section 3(d)(ii) as if such consent had been given directly to, and such agreement had been made directly with, such securities intermediary.

(ii) As to Pledged Items located in any jurisdiction other than the State of New York, the Collateral Agent on behalf of JPMorgan shall have, in addition to any rights under the laws of the State of New York, all of the rights to which a secured party is entitled under the laws of such other jurisdiction. The parties hereto hereby agree that the securities intermediary's jurisdiction (within the meaning of Section 8-110(e) of the UCC) with respect to the Collateral Agent, insofar as it acts as a securities intermediary hereunder or in respect hereof, is the State of New York.

(i) **No Right to Rehypothecate Securities.** So long as no Early Termination Event has occurred, JPMorgan shall not have the right to sell, pledge, rehypothecate, assign, invest, use, commingle or otherwise dispose of, or otherwise use in its business, any Collateral.

(j) **Termination of Security Interest.** The rights hereby granted to the Collateral Agent by Counterparty in the Collateral shall cease, terminate and be void upon fulfilment of all of the obligations of Counterparty under each Transaction hereunder. Any Collateral remaining at the time of such termination shall be fully released and discharged from the Security Interests and delivered to Counterparty by the Collateral Agent, all at the request and expense of Counterparty, and the Collateral Agent and JPMorgan agree to execute and deliver all termination and releases, UCC-3 termination statements, termination notices under any Control Agreements and any other documents of release as reasonably requested by Counterparty to evidence and effectuate such termination, all at the expense of Counterparty.

4. MISCELLANEOUS:

(a) **Limit on Beneficial Ownership.** Notwithstanding any other provisions hereof, JPMorgan may not take delivery of any Shares deliverable hereunder or exercise remedies as described in Section 3 hereof in respect of Shares constituting Collateral (any such exercise, delivery or exercise of remedies, a "**Share Acquisition**") and Automatic Physical Settlement shall not apply to the extent (but only to the extent) that, after such Share Acquisition, (i) the Section 16 Percentage would exceed 7.5%, or (ii) the Share Amount would exceed the Applicable Share Limit. Any purported Share Acquisition hereunder shall be void and have no effect to the extent (but only to the extent) that, after such Share Acquisition, (i) the Section 16 Percentage would exceed 7.5%, or (ii) the Share Amount would exceed the Applicable Share Limit. If any Share Acquisition hereunder is not made, in whole or in part, as a result of this provision, Counterparty's obligations in respect of such Share Acquisition shall not be extinguished and Counterparty shall fulfill such obligations as promptly as practicable after, but in no event later than one Scheduled Trading Day after, JPMorgan gives notice to Counterparty that, after such Share Acquisition, (i) the Section 16 Percentage would not exceed 7.5%, and (ii) the Share Amount would not exceed the Applicable Share Limit. "**Section 16 Percentage**" as of any day is the fraction, expressed as a percentage, (A) the numerator of which is the number of Shares that JPMorgan and each person subject to aggregation of Shares with JPMorgan under Section 13 or Section 16 of the Exchange Act and rules promulgated thereunder directly or indirectly beneficially own (as defined under Section 13 or Section 16 of the Exchange Act and rules promulgated thereunder) and (B) the denominator of which is the number of Shares outstanding. The "**Share Amount**" as of any day is the number of Shares that JPMorgan and any person whose ownership position would be aggregated with that of JPMorgan (JPMorgan or any such person, a "**JPMorgan Person**") under any law, rule, regulation or regulatory

order or any organizational documents of the Issuer or any agreement to which Counterparty is a party that are, in each case, applicable to ownership of Shares (“**Applicable Restrictions**”), owns, beneficially owns, constructively owns, controls, holds the power to vote or otherwise meets a relevant definition of ownership of under any Applicable Restriction, as determined by JPMorgan in its reasonable discretion. The “**Applicable Share Limit**” means a number of Shares equal to (A) the minimum number of Shares that could give rise to reporting or registration obligations or other requirements (including obtaining prior approval from any person or entity) of a JPMorgan Person, or would result in an adverse effect on a JPMorgan Person, under any Applicable Restriction, as determined by JPMorgan in its reasonable discretion, *minus* (B) 1% of the number of Shares outstanding.

(b) **Right to Extend.** JPMorgan may postpone, in whole or in part, any Valuation Date or any other date of valuation or delivery (in which event the Calculation Agent shall make appropriate adjustments to the Number of Shares with respect to one or more Components of any Transaction hereunder) if JPMorgan determines, in its commercially reasonable judgment based on the advice of counsel, that such extension is reasonably necessary or advisable to preserve JPMorgan’s hedging or hedge unwind activity hereunder in light of existing liquidity conditions or to enable JPMorgan to effect purchases or sales of Shares in connection with its hedging, hedge unwind or settlement activity hereunder in a manner that is in compliance with applicable legal, regulatory or self-regulatory requirements, or with related policies and procedures applicable to JPMorgan generally applicable to transactions of the type of the Transactions and consistently applied.

(c) **Amendments to the Equity Definitions.** The following amendments shall be made to the Equity Definitions:

(i) Section 11.2(a) of the Equity Definitions is hereby amended by deleting the words “a diluting or concentrative” and replacing them with “a material economic” and adding the following words at the end thereof “or options on such Shares”;

(ii) Section 11.2(c) of the Equity Definitions is hereby amended by (x) replacing the words “a diluting or concentrative” with “a material economic”, and (y) deleting the phrase “(provided that no adjustments will be made to account solely for changes in volatility, expected dividends, stock loan rate or liquidity relative to the relevant Shares)” and replacing it with the phrase “(and, for the avoidance of doubt, adjustments may be made to account solely for changes in volatility, expected dividends, stock loan rate or liquidity relative to the relevant Shares)”;

(iii) Section 11.2(e)(vii) of the Equity Definitions is hereby amended by deleting the words “a diluting or concentrative” and replacing them with the word “a material economic” and adding the following words at the end thereof “or options on such Shares as a result of a corporate action by the Issuer”;

(iv) [RESERVED]

(v) Section 12.9(b)(iv) of the Equity Definitions is hereby amended by (x) deleting (1) subsection (A) in its entirety, (2) the phrase “or (B)” following subsection (A) and (3) the phrase “in each case” in subsection (B); and (y) deleting the phrase “neither the Non-Hedging Party nor the Lending Party lends Shares in the amount of the Hedging Shares or” in the penultimate sentence; and

(vi) Section 12.9(b)(v) of the Equity Definitions is hereby amended by (1) adding the word “or” immediately before subsection “(B)” and deleting the comma at the end of subsection (A); (2) deleting subsection (C) in its entirety and deleting the word “or” immediately preceding subsection (C); (3) inserting after the phrase “If such notice is not given” in the third sentence thereof the words “or the Non-Hedging Party has not elected an alternative specified in clause (A) or (B) above”; (4) replacing in the penultimate sentence the words “either party” with “the Hedging Party”; and (5) deleting clause (X) and the words “or (Y)” in the final sentence.

(d) **Indemnification.** In addition to any remedies afforded JPMorgan in connection with any Transaction hereunder, under this Master Confirmation, any Supplemental Confirmation or any related Trade Notification, Counterparty agrees to indemnify and hold harmless JPMorgan and its affiliates and their respective officers,

directors, employees, affiliates, advisors, agents and controlling persons (each, an “**Indemnified Person**”) from and against any and all losses, claims, damages, judgments, liabilities and expenses (including reasonable attorney’s fees), joint or several (collectively, “**Damages**”), to which an Indemnified Person may become subject arising out of or in connection with such Transaction, this Master Confirmation, such Supplemental Confirmation and any such Trade Notification, including without limitation any losses, claims, damages, judgments, liabilities and expenses due, in whole or in part, to any breach of any covenant or representation made by Counterparty in the Agreement, this Master Confirmation, such Supplemental Confirmation and any such Trade Notification or any claim, litigation, investigation or proceeding relating thereto, regardless of whether any of such Indemnified Persons is a party thereto, and to reimburse, within 30 days, upon written request, each of such Indemnified Persons for any reasonable legal or other expenses incurred in connection with investigating, preparing for, providing testimony or other evidence in connection with or defending any of the foregoing; *provided* that Counterparty shall not have any liability to any Indemnified Person to the extent that such Damages are finally determined by a court of competent jurisdiction to have resulted from the bad faith, gross negligence or willful misconduct of such Indemnified Person (and in such case, such Indemnified Person shall promptly return to Counterparty any amounts previously expended by Counterparty hereunder).

(e) **Transfer or Assignment.** Counterparty may not transfer any of its rights or obligations under any Transaction hereunder without the prior written consent of JPMorgan. JPMorgan may, without Counterparty’s consent, transfer or assign all or any part of its rights or obligations under any Transaction hereunder (A) to any affiliate of JPMorgan (1) that has a long-term issuer rating that is equal to or better than JPMorgan’s credit rating at the time of such transfer or assignment, or (2) whose obligations hereunder will be guaranteed, pursuant to the terms of a customary guarantee in a form used by JPMorgan generally for similar transactions, by JPMorgan or JPMorgan Chase & Co., or (B) to any other third party with a long-term issuer rating equal to or better than the lesser of (1) the credit rating of JPMorgan at the time of the transfer and (2) A- by Standard and Poor’s Rating Group, Inc. or its successor (“**S&P**”), or A3 by Moody’s Investor Service, Inc. (“**Moody’s**”) or, if either S&P or Moody’s ceases to rate such debt, at least an equivalent rating or better by a substitute rating agency mutually agreed by Counterparty and JPMorgan. If at any time at which (A) the Section 16 Percentage exceeds 7.5%, (B) the Forward Equity Percentage exceeds 14.5%, or (C) the Share Amount exceeds the Applicable Share Limit (if any applies) (any such condition described in clauses (A), (B) or (C), an “**Excess Ownership Position**”), JPMorgan is unable after using its commercially reasonable efforts to effect a transfer or assignment of any Transaction hereunder to a third party on pricing terms reasonably acceptable to JPMorgan and within a time period reasonably acceptable to JPMorgan and in a manner that JPMorgan determines in its sole discretion is in accordance with applicable law and interpretation (including without limitation the Interpretive Letters) such that no Excess Ownership Position exists, then JPMorgan may designate any Exchange Business Day as an Early Termination Date with respect to a portion of such Transaction (the “**Terminated Portion**”), such that following such partial termination no Excess Ownership Position exists. In the event that JPMorgan so designates an Early Termination Date with respect to a Terminated Portion, a payment shall be made pursuant to Section 6 of the Agreement as if (1) an Early Termination Date had been designated in respect of a Transaction having terms identical to such Transaction and a Number of Shares equal to the Number of Shares for the Terminated Portion, (2) Counterparty were the sole Affected Party with respect to such partial termination and (3) the Terminated Portion were the sole Affected Transaction. The “**Forward Equity Percentage**” as of any day is the fraction, expressed as a percentage, (A) the numerator of which is the aggregate Number of Transactions Shares for all Transactions hereunder, and (B) the denominator of which is the number of Shares outstanding.

(f) **Designation by JPMorgan.** Notwithstanding any other provision in this Master Confirmation to the contrary requiring or allowing JPMorgan to purchase, sell, receive or deliver any Shares or other securities, or make or receive any payment in cash, to or from Counterparty, JPMorgan may designate any of its affiliates to purchase, sell, receive or deliver such Shares or other securities, or make or receive such payment in cash, and otherwise to perform JPMorgan’s obligations in respect of any Transaction hereunder and any such designee may assume such obligations. JPMorgan shall be discharged of its obligations to Counterparty to the extent of any such performance.

(g) **Non-confidentiality.** JPMorgan and Counterparty agree that Counterparty and Counterparty’s employees, representatives, or other agents are authorized to disclose to any and all persons, without limitation of any kind, the U.S. Federal income tax treatment and U.S. Federal income tax structure of any Transaction hereunder and all analyses that have been provided to Counterparty relating to such tax treatment and tax structure.

(h) **Securities Contract.** The parties hereto intend that (i) JPMorgan be a financial institution within the meaning of Section 101(22) of the Bankruptcy Code, (ii) the Agreement and this Master Confirmation, together with any Supplemental Confirmations and any related Trade Notification, be a securities contract, as such term is defined in Section 741(7) of the Bankruptcy Code, (iii) each and every transfer of funds, securities and other property under the Agreement and this Master Confirmation (and any Transaction hereunder) be a settlement payment or a margin payment and a transfer, as such terms are used in Section 546(e) of the Bankruptcy Code, (iv) the rights given to JPMorgan hereunder upon an Event of Default constitute a contractual right to cause the liquidation, termination or acceleration of a securities contract, a contraction right to offset or net out any termination value, payment amount or other transfer obligation and a contractual right under a security agreement or arrangement or other credit enhancement, as such terms are used in Sections 555 and 362(b)(6) of the Bankruptcy Code, and (v) JPMorgan be entitled to the protections afforded by, among other sections, Sections 362(b)(6), 362(o), 546(e), 548(d)(2), 555 and 561 of the Bankruptcy Code.

(i) **Payments on Early Termination.** Upon the occurrence or effective designation of an Early Termination Date in respect of any Transaction hereunder or the determination of an amount owed following occurrence of an Extraordinary Event that results in the cancellation or termination of any Transaction hereunder pursuant to Article 12 of the Equity Definitions, if Counterparty would owe any amount to JPMorgan pursuant to Section 6(d)(ii) of the Agreement or any amount pursuant to Section 12.7 or 12.9 of the Equity Definitions (any such amount, a “**Counterparty Payment Amount**” and such event that would so result in Counterparty owing any such amount, a “**Counterparty Payment Event**”), then, except to the extent that JPMorgan proceeds to realize upon the Collateral and to apply the proceeds of such realization to any obligation of Counterparty hereunder and under the Agreement (other than via a Self-Delivery as provided in Section 3(f) hereof), on the date on which any Counterparty Payment Amount is due, in lieu of any payment or delivery of such Counterparty Payment Amount, JPMorgan may elect, at its option, for Counterparty to deliver to JPMorgan a number of Shares (or, if the Shares have been converted into other securities or property in connection with an Extraordinary Event (“**Converted Property**”), a number or amount of such securities or property) with a value equal to the Counterparty Payment Amount, as determined by the Calculation Agent, in which case the provisions set forth in Section 3(f) hereof shall apply. Notwithstanding any provision of the Agreement, the Equity Definitions or this Master Confirmation to the contrary, in determining any amount payable upon the occurrence of an Early Termination Date or a cancellation or termination of the Transactions pursuant to Article 12 of the Equity Definitions, JPMorgan may specify that the party determining such amount shall use a risk bid price or a closing price, volume-weighted average price or other market price for the Shares determined by JPMorgan over a period reasonably determined by JPMorgan.

(j) **Agreements regarding Supplemental Confirmations.**

(i) Counterparty accepts and agrees to be bound by the contractual terms and conditions as set forth in the related Supplemental Confirmation for each Transaction hereunder, absent manifest error. Upon receipt of the related Supplemental Confirmation, Counterparty shall promptly execute and return such Supplemental Confirmation to JPMorgan; *provided* that Counterparty’s failure to so execute and return the Supplemental Confirmation shall not affect the binding nature of the Supplemental Confirmation, and the terms set forth therein shall be binding on Counterparty to the same extent, and with the same force and effect, as if Counterparty had executed a written version of the Supplemental Confirmation.

(ii) Counterparty and JPMorgan agree and acknowledge that (A) the Transactions contemplated by this Master Confirmation will be entered into in reliance on the fact that this Master Confirmation, the Supplemental Confirmations thereto and any related Trade Notification form a single agreement between Counterparty and JPMorgan, and JPMorgan would not otherwise enter into such Transactions, (B) this Master Confirmation, together with each Supplemental Confirmation and any related Trade Notification, is a “qualified financial contract”, as such term is defined in Section 5-701(b)(2) of the General Obligations Law of New York (the “**General Obligations Law**”); (C) the Supplemental Confirmation and any related Trade notification, regardless of whether transmitted electronically or otherwise, constitutes a “confirmation in writing sufficient to indicate that a contract has been made between the parties” hereto, as set forth in Section 5-701(b)(3)(b) of the General Obligations Law; and (D) this Master Confirmation and each Supplemental Confirmation constitute a prior “written contract”, as set forth in Section 5-701(b)(1)(b) of the General Obligations Law, and each party hereto intends and agrees to be bound by this Master Confirmation and such Supplemental Confirmation.

(iii) Counterparty and JPMorgan further agree and acknowledge that this Master Confirmation together with the Supplemental Confirmations thereto and any related Trade Notifications thereto constitutes a contract “for the sale or purchase of a security”, as set forth in Section 8-113 of the Uniform Commercial Code of New York.

(k) **Matters Related to Agent.** Each party agrees and acknowledges that (i) the Agent acts solely as agent on a disclosed basis with respect to the transactions contemplated hereunder, and (ii) the Agent has no obligation, by guaranty, endorsement or otherwise, with respect to the obligations of either Counterparty or JPMorgan hereunder, either with respect to the delivery of cash or Shares, either at the beginning or the end of the transactions contemplated hereby. In this regard, each of Counterparty and JPMorgan acknowledges and agrees to look solely to the other for performance hereunder, and not to the Agent.

(l) **London Branch.** JPMorgan is entering into the Agreement, this Master Confirmation, each Supplemental Confirmation and any related Trade Notification through its London branch. Notwithstanding the foregoing, JPMorgan represents to Counterparty that the obligations of JPMorgan are the same as if it had entered into the Agreement, this Master Confirmation, each Supplemental Confirmation and any such Trade Notification through its head or home office in Ohio.

(m) **Amendment or Waiver.** Any provision of this Master Confirmation may be waived if, and only if, such waiver is in writing and signed by the party against whom the waiver is to be effective.

(n) **Waiver of Jury Trial.** EACH PARTY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY SUIT, ACTION OR PROCEEDING RELATING TO ANY TRANSACTION HEREUNDER. EACH PARTY (I) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF THE OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF SUCH A SUIT, ACTION OR PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTY HAVE BEEN INDUCED TO ENTER INTO EACH TRANSACTION HEREUNDER, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS PROVIDED HEREIN.

(o) **Choice of Law.** This Master Confirmation shall in all respects be construed in accordance with and governed by the laws of the State of New York (without reference to choice of law doctrine); *provided* that as to Pledged Items located in any jurisdiction other than the State of New York, the Collateral Agent on behalf of Secured Party shall have, in addition to any rights under the laws of the State of New York, all of the rights to which a secured party is entitled under the laws of such other jurisdiction. The parties hereto hereby agree that the Collateral Agent’s jurisdiction (within the meaning of Section 8-110(e) of the UCC) insofar as it acts as a securities intermediary hereunder or in respect hereof, is the State of New York.

(p) **Agreements and Acknowledgments Regarding Hedging.** Counterparty understands, acknowledges and agrees, in respect of each Transaction hereunder, that:

(i) At any time on and prior to the Valuation Date for the final Component, JPMorgan and its affiliates may buy or sell Shares or other securities or buy or sell options or futures contracts or enter into swaps or other derivative transactions in order to adjust its hedge position with respect to such Transaction;

(ii) JPMorgan and its affiliates also may be active in the market for Shares or other securities or options or futures contracts or swaps or other derivative transactions relating to the Shares other than in connection with hedging activities in relation to such Transaction;

(iii) JPMorgan shall make its own determination as to whether, when or in what manner any hedging or market activities in relation to such Transaction hereunder shall be conducted and shall do so in a manner that it deems appropriate to hedge its price and market risk with respect to such Transaction; and

(iv) Any market activities of JPMorgan and its affiliates with respect to such Transaction may affect the market price and volatility of Shares, as well as the Settlement Price, each in a manner that may be adverse to Counterparty.

(q) **Notices.** All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given if mailed or transmitted by any standard forms of telecommunication.
